

## **HOW TO USE PUBLIC PHONE TDD**

1. Lift telephone handset and place it on the payphone shelf or in special cradle, if it provided.
2. Turn on the TDD by pressing spacebar several times.
3. Deposit proper coins in the payphone and dial the number using the payphone keypad, the "phone" light indicates the call progress.
4. Text will display on the green screen and your call can proceed as usual.
5. Hang up the handset and the TDD will shut off automatically.

Thank you for using Krown's product. For help with your call, dial the TDD operator at 1 (800) 855-1155.
